It's the best way to bookmark your interests), you know that I'm a huge fan of minimalistic fashion. Minimalism is all about finding a balance between comfort and style. As we all know fashion doesn't last forever, and finding the right balance between fashion and comfort is essential to any woman. Today I'm doing a post about something I started 3 years ago and recently finished: the closet expansion project. A closet expansion is a concept I came up with to improve my lifestyle and simplify things at the same time. The closet was the first thing I tackled. The Closet First of all, I was inspired by the idea of an overflow wardrobe. Some of you might remember that I was a minimalist with a closet full of clothes for 5 years. Every day it was a struggle to decide what to wear. Eventually I just threw everything in and ignored the rest. I mean, how could I ever 82157476af
